“ *Such fond memories of visiting every summer from the west coast. Aunt Jean and Uncle Ray always welcomed us with open arms. Aunt Jean always made sure we had a feed of the white summer sweet corn my favourite . I was glad to have returned a tiny bit of the favour when they came out west to Alaska. Aunt Jean was the only person that called my dad Walt I loved that for some reason. RIP Aunt Jean ❤️ Lorna ,Gord and Walter Paul.*

“ Sending many hugs to the Keyser family. I remember her vividly, even though it has been many years since I visited. She was a no nonsense lady with a good sense of humour. I got to know her better following her on Facebook..she sure had her opinions. (smile)...she was just Auntie Jean...but she is with her family on the other side who have been waiting patiently for her to join them. She was happy in life...and im sure she is happy now.
