“ Dear Judy and family. I am so sorry for your loss. I had tried reaching out to Neil over the past few months, but couldn't seem to connect. The car business has been very good to me and my family over the years and I have never forgotten who gave me the chance. Neil hired me at Nemith when I was a kid back in February 1976. He was my mentor and became my great friend. I'm left with a thousand wonderful memories of his laughter, kindness and our friendship. I love Neil and am forever grateful to him. He had a huge impact on my life in many ways. Rest in peace my friend.
