“ Family of Patricia Myer, I just now, 8/2021, read here that Pat past away; I am shocked and saddened. My condolences to the entire family. Pat and I became instant friends the day she entered school in Germantown. We later worked in Albany and shared apartments for several years. I was a bridesmaid in her wedding. I last saw her approximately four years ago at lunch in Rhinebeck. I treasure the fond memories.

“ Dear Myer Family, I am so sorry for your loss. We go back many years when I remember the fun times we had going to your house on vacation and all the fun things we did. I remember way back years ago when we were kids and you lived up state. The fun we had. Do you remember the parades we had on the front lawn on Route 9 in Tivoli? The pool that had the fish in it? So, so many great, fun memories. I could go on and on. Your family was a fun family to be around. Always something to laugh about and never a dull moment. I know your Mom will be missed. May you find comfort at this time, and hold on to the memories. That is what helps at times of sadness. My deepest sympathy to all of you. I will keep you all in my thoughts and prayers.

“ Even though we never got to see each other as much as i would've liked. I still have fond memories of her. Especially when I was younger and wanted to do a lemonade stand, she bought all the supplies for me and said that I could keep anything I made. She will be greatly missed love you Grandma Myer.
