

Patricia B. Wallace

February 25, 1937 - November 12, 2019

Patricia B. Wallace, 82, of Hudson, passed away November 12, 2019 at her home surrounded by family and friends.

Born February 25, 1937, daughter of George A. Hawver and Dorothy (Crosby) Hawver of Hudson, NY, Patricia graduated from Hudson High School in 1954. Throughout her career in Physical Therapy she also worked at Columbia Memorial Hospital in Hudson and Pine Haven Nursing Home in Philmont, retiring from full-time employment in 2002.

“ *Pat and Vince are truly going to be missed. I would visit them at least once a month and enjoy our brief visits. Pat always shared a joke, I always left with a smile on my face and a piece of candy or some treat she made in my hand. She also shared a few pieces of the lovely jewelry she made, which I treasure. I will miss my visits with her and Vince and Ernie and our Bible discussions. (Rev.21:4)*

Patricia was one of us and sat next to me in the 65th class reunion picture taken at Kozel's on the 7th of September. One of a kind, special to her family and special to her classmates as well. She goes to meet up with the other 55 who went before. So glad I got to see her this year after 65 years. However, kind words expressed by me and others can not replace her presence for those closest to her, her children, grand children, and even us remaining in the Class of 1954. She shall be missed. Love to her family and may God continue to keep you all in the palm of his hands.
