

Patrick Kenneth Council

November 24, 1977 - April 21, 2011

Patrick Kenneth Council, born November 24th, 1977, passed away after a short illness at Ellis Hospital on April 21st, 2011. He was a resident of Niskayuna, New York, where he lived with his loving parents, Estelle and Kenneth Council. He attended the Albany Academy Schools and ultimately graduated from Niskayuna High School in 1995. He was a member of Jack and Jill and enjoyed language club, the ski club, and debate club while in high school. He attended Gettysburg College and SUNY at Oneonta as a young adult and was a valued employee of Time Warner Cable. He was a lover of all things French and loved by all who knew him. Patrick was an example of kindness, patience, and generosity. He was constantly smiling and thoroughly enjoyed every minute of his short time with us. He had an uncanny ability to anticipate trends before they became trendy. Patrick is survived by his parents, Estelle (Miller) Council and Kenneth Council, his brother, Matthew Council (Raushannah) of Phoenix, Arizona, his nieces, Laelah and Samirah, and numerous aunts, uncles, and cousins. In lieu of flowers, donations may be made to the charity of your choice in Patrick's name. Services will begin at 4 pm Wednesday at the Vineyard Community Church, 121 Rensen St., Cohoes, NY. Repast for family and friends will follow the service at the church. To leave online condolences, please go to www.batesanderson.com.

“ I remember meeting Patrick in high school. He had a very pleasant demeanor and a soft way about him. Almost angelic. What a loss to this world.

May your memories bring you much comfort and may your days grow brighter soon.

“ My thoughts and prayers go out to your family at this time of your loss. I just recently got to know Pat, and I am sorry that I will not get the opportunity to get to know him better. In the short time I have spent with Pat, he was a genuine and sincere individual, I always found Pat the same way, smiling and happy, he was an extremely caring individual and as a result this made him very successful in the work that he did. His loss will create a hole in many hearts!

“ Ken & Estelle:

I was struck when I saw the notice of your son's passing in the TU this morning. It won't be possible for Ginny and I to be with you on Wednesday, but I wanted to make some contact at this time of great challenge and sorrow. Our hearts go out to you as you are faced with the crushing grief this ultimate horror of parenthood brings. Our family too has been touched by the loss of a child. The special traits, the broad interests, the warm relationships, and worthy accomplishments posted in the paper show that Patrick used his time effectively, and will be well remembered by many.

They also show the product of your love, example and guidance. I pray to hasten the day when those reflections that now cause the stabbing pain of loss, will bring the warmth of remembrance. I hope you are able to lean on and draw from the caring support of many friends and family as you wait for this darkness to lift.

With prayer and concern, I offer my sincere condolences..... Mike OBrien
