“ To Paul's Family, I had the pleasure to work with Paul for many years @ Taconic Telephone. He was always thinking outside the box looking for answers to unexplained things. The two staples for lunch as I remember were Chicken Noodle soup and an orange warmed in the sink. Sure miss the simple days when a lunch conversation could last for days! Prayers are on the way for all the family and peace and love to all! It is my belief I will see Paul again and continue our deliberations.

“ I had the pleasure of working with Paul at Taconic Telephone. Enjoyed his stories and dry wit. Will miss his phone calls wishing me a wonderful holiday. He sure loved his family. My prayers are with you all now and in the days ahead. Wendy Shatney

“ To the family of Paul F. Gerber:

I am sadned for the passing of Paul. It has been a pleasure to know him and work with him as long as I did. He always had a good sense of humor valued insight and general good will toward all he ment. He had an open hand and big smile when he would see people he knew and they were happy to see him. He will be missed until we meet again.
