“ I last seen Paulie 5 or 6 years ago at the firemans home. I was a T.A. for Questar. We took our kids over to sing for the firemen and oh yes firewomen. (Paulie called it caterwauling) I was surprised he remembered me because I hadn't seen him in years. He didn't care for the singing but he did join the kids for an ice cream sundae..R.I.P. Paulie... “ Dear family, I remember Paulie from Reed street, we lived across the street. I remember his cute smile, he was always a happy fella and always had a cute querk and joking way about him. Anyone and everyone who knew him loved him dearly as we did. I always wondered where he was, now I know. Carole J. Kennedy
