“ *Even though we never had a chance to get close, Peggy was my sister and will always be my sister. May she be at peace in the hands of our Lord. May she once again walk hand in hand with Marty. May she have the peace and know no more pain. She is up there watching down on us and she will be with her mother and our father for the end of time. Peace be with all of the family and know she was loved and will always be with us.*

*Sister,
Dianne*
