

Phyllis "Pinky" Muller

December 11, 1937 - May 6, 2021

Heaven gained another Angel today. Loved by many, she always brought light and love to those she met. Whether she knew you for years, or just met you, she was always full of hugs...and scratch-offs for everyone! Mom's goal every day was to make someone smile. She always wanted to help others. Her paintings grace many a wall in so many homes. She was always looking for "pennies from heaven" to make donations for good causes.

Born 12/11/1937 in Cementon New York to Felix and Johanna Wynne Mataska, she grew up surrounded by love. She was very proud of her job as a telephone operator, when she met her husband to be, David E. Muller. She went on to sell Stanley Home Products. After that, she worked at Pressman's Army/Navy Store in Hudson, Baker's Women's Wear, and finally settled in at the Town Fair. She was a hard worker and put all of her heart into every position she held. Recently she was residing at the Ghent Assisted Living where they have the most amazing and loving group of caregivers we have every come in contact with. We thank them all for the loving care and friendship they gave to our mother during one of the toughest years we all have ever gone through.

She was predeceased by her parents Felix and Johanna Mataska, her sisters, Joan Tratnack, Dolores Shook, and Veronica Spampinato, her husband David, and her son David Jr. Phyllis Survived by her daughter Debbie and her husband Tom Beck, her son Darryl and his wife Suzanne Muller, grandchildren Tonya, Tabitha, Natasha and Robert, and several great

grandchildren. To honor Phyllis's wishes, there will be no viewing, and services will be private. If you would like to make a donation in Phyllis's name please donate to a charity of your choice.
