“ *To Regina's Family,*

*It was my honor to minister to Regina every Sunday morning since she arrived on Unit One of the Ghent Rehabilitation and Nursing Center. She was usually tough to find because she was all over the unit. I will always remember her great joy when we would pray the Lord's Prayer and I would then give her Holy Communion. Her face would light up and she would smile from ear-to-ear. The last time I visited with her she was in bed. She told me that soon she was going home to Jesus.*

*May God bless you Regina and welcome you into paradise.*
