“ I am so sorry to hear of Rick's passing. I played JV and varsity soccer with him at Hudson High, and we were both defensemen. I remember one game in particular when he (as a defensive player) scored a last minute winning goal over Chatham. I remember his sense of humor on the bus rides and how he always kept us laughing. He was a team leader. My thoughts and prayers are with you.

“ My sympathies to the Nack family. I met Rick years ago and we got along right off the bat. We had many a passionate conversation about any number of things concerning golf course management, music and the direction of our country. I considered him a patriot and a man of principle. It is with tremendous sadness I write this little note. It was a blessing to know him and have to say when he pulled into my golf course it was always a pleasure to see him. He will be missed.

“ I first met Rick when he left his superintendents position at Sycamore Country Club and i assumed the roll, we had many interactions after that and he was highly important to the transition, i have also stood behind Mason on the baseball field as an umpire and had frequent conversations with Rick during those games, I would always say how you doing and he would say eh ok! Can't say enough about his dedication to turf management and his love for his family.

“ I am so sorry to hear of Rick's passing and I grieve for your loss. Even though we had not crossed paths in years, I considered Rick to be a close friend as we grew up in Hudson. He was compassionate and thoughtful but how he loved to play practical jokes, even on our teachers. We were in scouts together and spent countless hours skating at Oakdale. Rick's passing is Heaven's gain. I hope the good thoughts of his life bring you comfort.

“ To the Nack Family - I am so sorry and grieve for your loss. I considered Ricky a very close good friend when I grew up in Hudson. I remember Boy Scouts, ice skating at Oakdale, and how we tormented Al Scarpinato at HHS. Take solace in the fact that the sky is a little bluer with him up there. Marc Buschman
