

## Robert M. Dauley

April 6, 1972 - August 8, 2020

Robert Dauley, passed away suddenly from his long battle with cancer on August 8, 2020. Rob, known by many as “Dudley,” was born in Poughkeepsie on April 6, 1972.

Anyone that knew Rob, knew him by his red hair, one of his many traits that could be seen from across the room. He was as stubborn man, a true ginger as his daughter always says but he was also a very kind and loving man that would do anything, for anyone. He had a special way of brightening the day with his “sick” sense of humor and his laugh was contagious. Rob spent many years working in construction and cherished his years spent as a mechanical insulator with Local 91. Rob would tell anyone though, that his greatest achievement in life was having his daughter and watching her grow up.

Robert is survived by: his beloved daughter, Brittani; his parents, Steve & Maryanna Dauley; his sister, Dawn and Tim Cowin; his sister, Lynda and Justin Angier; six nieces and nephews and numerous extended family members.

Visitation for family and friends will be held on Friday, August 14, 2020 from 3 to 6 at Bates & Anderson - Redmond & Keeler Funeral Home, 110 Green Street, Hudson, NY.

In lieu of flowers, memorial donations may be made to the American Cancer

Society.

“ *RIP Little Red Headed Boy. This is a very sad day for all your family as we will miss you greatly. At some point we will be able to accept your loss realizing you are finally free of illness and pain for cancer is a nasty disease. We are grieving right now that you were taken from us so young, but we will eventually find joy that you were able to learn your life lessons early enabling you to go home so soon. Although we can not physically see you, you are with us every minute of every day surrounding us with love; and we will always send our love back to you. So it will go until we are all together again. Love you, Uncle Jim and Aunt Donna*

“ *I would love to say he would drop anything and be by someone's side. He knew how to make people laugh and make sure that his daughter had everything she needed. A man with a heart of gold. I will always and forever cherish our memories that we have had together. Keep those secrets locked inside that huge heart of yours. Youd be so proud of how far I have come as well. I know I havent seen you in a couple years just texting a couple years ago. I wish we could sit outside one last time. Love you tons dude. Love always, kristina.*

“ *In his final moments, he kept his smile. This is how I choose to remember him, happy. Gone be never forgotten. Until we meet again, rest easy my little ginger baby. <3*
