“ *Pinky & family, our deepest condolences to you & your family. Bob was such a wonderful person. I remember when I was young, he showed me there was real gold in Goldschlager, and tried to convince me if you drank the pieces... well you would.... poop gold. I remember laughing so hard and wondering at the same time ! Such a sense of humor!*

Our prayers and thoughts are with you all. Hugs & Love Pinky. Fly high Bob

“ 'tis a pleasing thought -
that although we meet in this life but to part -
and love,
only to have the object of our affection
snatched from us when it seems most dear,
that there is world above - a heavenly home,
where sorrows never come, and where friends never part...

- Edmund Dewitt Patterson (1842-1914) - 2nd cousin 3X removed to
his wife Pinky
