“ Dear Harry, Eric, Ellen, and Steven,
You all know how deeply we loved our dear Rozie. She and your families have been our family throughout all these many years. Harry, celebrating holidays, our birthdays, and anniversaries with you Rozie, Gloria and Joel were great fun and memorable times and having breakfast with you both each Saturday, right up until the Saturday, before Rozie passed away was always something special to look forward to.

Our love and sweet memories of her will dwell forever in our hearts.

*Love always to you all,
Mary Jane, Bill and Family*

“ I will never forget Roz. We were in the same Drivers Ed class at Hudson High School. We shared the same car with our teacher and 2 other male students. It was a good thing our teacher has breaks on the other side of the car. Need I say more... I am so sorry for your loss. Roz was a fun loving and kind person

“ My deepest sympathies to her entire family on Roslyn's passing. I have so many fond memories of being at her house when I was as young as 6 years old, playing with my friend, her son, Eric. She was a lovely, caring, wonderful person and she will be missed by everyone who ever met her. She was a dear friend to my mother and sister as well and we are all very very sad. We will keep the happy memories of her forever.

“ Harry and family, sending our condolences to you and your family, Ellen, Steve, Eric and grandchildren. Lost touch with Roz when I became sick but would always exchange Christmas cards and talk if we saw each other in the stores. Loved working with her at CMH. She will be missed.

“ So sorry to hear about Roz passing. I had lost contact with her over the years; since we were in Hudson High together. It was nice when she and her husband started to attend our monthly lunches at kozels. She really seemed to have a good time; and I will always remember her as she was then; laughing and enjoying herself.

“ So very sorry to hear about Roslyn. She was always so thoughtful and concerned about our family. We were neighbors long ago, just across the street on Union Street. I have fond memories of going to visit her and the family while growing up. Every time I saw her she would ask how everyone was doing. My deepest sympathies to all of you.
