“ I have fond memories of Ruth at the Hendrick Hudson Chapter of the National Society Daughters of the American Revolution, where she served as Treasurer for nine years. She loved our Country and was a friend to many.

“ I only knew your mom through DAR, but those were great memories. She was active especially I remember the good citizens program that she ran for the high school students in Columbia County. We give a small award to one of the students every year. She was cheerful and very helpful to everyone. I never knew she was involved with horses, but reading the memories already posted made me smile. She will be remembered by many for a very long time my sympathy to all.

“ My parents, Les and Ruth Ogden, were very involved with horses and horse shows. For many years, they put on the Open Western Horse Shows at the Columbia County Fair and also the horse shows for their 4-H club, Hudson Valley Horsemen. They gave me so many wonderful years of memories. I am very thankful that they were my parents.
