“ I will always remember Shanna the beautiful child with that long blond hair she could have sat on. And she actually shine with her little personality. Kept up with my Scalera nephews (her cousins) and that was some feat! I like to remember her as that age of innocence and happiness always. And she left everyone a beautiful gift of her beloved daughter Arieonna who was the center of her life. Rest now Shannon your family will take good care of your baby. My love Bonnie Huber
