“ *So many memories laughing with Steve and Peg at the Hotel Steve was going to campout in my backyard in July so he could hang out with us by the fire but it rained so much it didnt happen :(. A gentile giant with a heart of gold was always my view of my friend . As calm as Steve was I watched him grab a guy that was fighting in the Hotel one night stick his knuckle behind this guys ear he screamed like a girl and Steve threw him out the door and turned with a smile and said can you believe that guy , most people would have had a struggle but not Steve handled a guy bigger than him like he was a fly and hen laughed I will always remember that and always bring a smile to my face like so many other things he had said or done miss you brother see you someday . “ For those of you who know about ice finishing, and all that goes with it, Steve was the best teacher I will miss him very much. Duck farts at the oxbow inn and inviting the DEC officer over to check our catch, never a good idea, lots of fond memories fishing with my friend. Keep some tight lines up there, untill we meet again.
