“ Mom....
There has not been one day I have not thought about you since you've been gone. My heart has never felt so much pain! I really do feel lost without you. I know you're at peace and you're with Grandma, Grandpa , Kyle and Daddy right where you wanted to be. I know you're not feeling any pain. However, I just wish you were here with us! I'm doing my best and being the person that you would want me to be! I made you a promise and I intend to keep that promise! You know exactly what I'm talkin about! I love and miss you more than I have anybody in my whole entire life! ❤️❤️❤️❤️
