“ *I always loved Terrences sense of humor, his love for Weird Al endeared him to me from the start. I spent time with him evenings at The Starting Place while Chris had the support group. Treasured moments, he was a joy to be around, and made me laugh so many times. Hope you're at Peace dear one!!!!!!*

I have such wonderful memories of Terrence. A quiet soft-spoken lad but such a beautiful presence. May Terrence rest in peace and may his family know that others share their grief.

“ *I came to know and love Terrence at Calvary Assembly of God where I had him first in the nursery and later in the 3 - 5 year old class. He was always so interested in everything. He knew everything there was to know about firemen. He was a cutie and I have so many fond and funny memories of him. Christine, know that my thoughts and prayers are with you, David and Alan. My heart breaks for you.*
