Theodore Joseph Shohfi, Jr., known to his family and friends as Joe, passed away at home, into the arms of his Everlasting Father on November 5th, 2020, at the age of 61. Joe was born in Encino, CA, on July 5th, 1959, the oldest of five beloved siblings, to Theodore and Sharon Shohfi.

Beloved husband of Danette Gorman, loving father of Benjamin and Hanna, adored grandfather of Bryce, Laila, and Joey, and dear brother of Mary, John, Paula, and Tim. Joe and Danette moved to Hudson four years ago, and immediately found a wonderful community of faith and friendship in the First Presbyterian Church and the extended community of Hudson.

As partners in life and business, Joe and Danette shared a love of entrepreneurship and a strong desire to make a difference. Together they pioneered the development of the first business to business platform for the global fashion industry.

Joe will be remembered by his loving family and his many wonderful friends as a passionate, caring, man of tremendous perseverance and strength whose faith never wavered.

He will be memorialized in a private service at First Presbyterian Church of

Hudson.

“ I knew "Joey" in elementary school only. He, friend Fred Ginsberg, and I performed a puppet show together. "The Chairy Story" about a chair. I recently found my program for this puppet show from 1969. After reading it, I noticed for the first time that Joey's name was actually Theodore. I have good memories with Joey. If I remember correctly, he was one of only two students in our school to earn the Battalion Chief award for passing a test on fire safety.

I am sorry to see he has passed rather early in life. I am very glad to learn he was a believer in Jesus, and is therefore now with Him in heaven.

“ *Dear and wonderful Danette*

This is Natasha, who was your Office Manager in Amsterdam and New York many many years ago.

I learnt the sad news about Joe yesterday and am so very very sorry and please accept my deepest condolences.

You and Joe as a couple were and always will be special part of my life! I remember organising your magical wedding, relocating to the Big Apple to help you grow the business in US! Joe - writing down NY landmarks and streets for me as I kept getting lost in the city. You both and Visuality were the best chapter of my life:)

Joe will always remain in my memory as a special human being, patient and inspirational boss, with such genuine smile.

I send to you my most deepest condolences and warmest and kindest messages of comfort and respect to all of Joe's family.

With deepest sympathy
