“ You all know that my Uncle Tommy was an awesome guy.
Easygoing, good listener, caring, helpful - just a wonderful man to everyone who he came in contact with.
-even the neighborhood kids that he let pick all of his raspberries!
He was truly interested and interesting.

He was always there. Visiting, calling, texting
He initiated my interest in coins and stamps.

This was a complete and total shocker to me. He just convinced me to get an air fryer! Then what feels like the next day we can't talk about anything else ever again.
I just can't believe it.

I'm going to miss you tons, but hope that you and Aunt Betty are road tripping and enjoying the hot air balloon festivals in heaven...
You deserve a comfy throne. Thanks for all you've done and been for me. I love you!

“ *Folks and family*

Tom was a long time friend I have known through our shared radio hobby.

We had participated in relaying radio messages across the country in an effort to perfect the skill and share that talent with other operator's.

Tom and myself worked on teaching boy scouts the signaling merit badge

Tom was always generous with his knowledge and talent's that he shared with others.

Tom will be greatly missed by radio operator's here.

Kind regards

Tom Jones

“ *I (Andrew, W2BOS) was very saddened to learn yesterday of Tom WE2G's recent passing. He and I were close in the ham radio National Traffic System circles here in Eastern NY. We attended ham get togethers and presented the NTS mission at many. My condolences to him and his family. I am putting a memoriam on our Net Page that he was the Net Manager of in the mid 1980s. <http://hvnet.org>*

“ I'm so sorry to learn of his passing as he was one of the few amateur radio ops that upheld what the service was about. He was always kind and compassionate to everyone on the air and he will be truly missed. Requiescat in Pace, my friend.

“ So sorry to hear this news. Tom was such a kind man. He was my mentor and when I needed help he told me to call him after close of business and he would walk me through everything...and he did! Didn't matter how long it took, he was there until I understood. He visited us in NC and we had a wonderful time. Rest in Peace Tom. I can see you riding your bike around the paths in heaven!

“ Can't believe he's gone. I've known Tom for over 30 years through amateur radio, and we were known as "the twins" because our callsigns were so similar. My deepest sympathy to Mary Ann, the rest of his family and his many friends. Rest in peace, my friend.

“ Tom was a good man. He was so thoughtful, especially to his neighbors. I hope Bill Brown was waiting for him and that they are sitting on a porch, reminiscing and solving world problems. Deepest sympathies to his family. RIP Tom.

Tom was my SMA classmate for 13 years. After that, we parted ways and I only saw him at reunions. Several people described Tom in his adult life and I have to say he was the same guy during his formative years. Tom had a good upbringing and I was very impressed the way he took care of his younger siblings. He was a quiet, gentle guy who I will always remember.

“ Gone too soon. Tommy was a man who never ever had a bad word to say about anyone or anything. I will miss our get togethers for lunch. It was a blast going to a different diner or restaurant that we picked at random.
Rest in peace bro.
