“ *I will never forget the cookies that Grandma had always baked and how when I was little I would not only eat four but stuff my pockets too, Her loss is more then ever could be described with words because grandma was more then words could ever describe or more then they could ever do justice. The Coster Family has suffered a great loss and it will leave a hole in all of our hearts! To my family and friends blessed enough to have known my Grandmother, I may be far from home but my thoughts, and my heart is with you! Give Grandma a kiss and a hug for me, Barak, and Makynlie.*

*Love,
B.J.*
