How quickly time passes, yet it all feels like yesterday that in the blink of an eye you were gone and we've been left with memories. I know that you are with dad and that offers me some peace, but I miss you so much and mom i'm waiting.

“ *So sorry to hear of the loss of a dear , kind friend. She became a part of our family at camp. She and her sweet little Daisy were always happy to see us and we were just as happy to see them. Vicki adopted our Mom, Pat Johnson and was a true friend to her. We always looked forward to seeing her and visiting when we came to see Pat and Frank at camp. Greg Burt and I will miss her so much.*

Thank you Phoebe! You were all her camp family and she enjoyed spending time with every one of you. Camping is what she enjoyed the most. I appreciate everyone who reached out to her throughout the year, who kept an eye on her at camp and those who came down for the services.
