“ To the Kiel Family,

I was so disheartened to learn of Virginia's passing. I worked with Ginny for many years at HCSI and got to know Calvin as well.

Ginny was a true expert at her job, knowing all there was to know about Student Loans, and that was no easy task; given all of the State and Federal Rules and Regulations that had to be followed.

I fondly recall Ginny's beautiful singing voice as she sung "Sunrise Sunset" at my son's wedding in 1983.

I remember many mornings at work where I jokingly greeted Ginny with the words "Yes Santa Claus there is a Virginia".

Ginny was a true pleasure to know and a wonderful co-worker.

My sincere condolences go out to you all.

“ Brian and Brad, I have fond memories of your mom. She was always so nice to me when she was the den mother for our raucous group of cub scouts, and I remember her beautiful singing voice. She was a special person, kind and giving, and will remain a vivid memory of my childhood. Thoughts and prayers to you and your family as you go through this time of loss, that you will sense God's presence, peace, strength and comfort.
