“ When the Lord calls our loved ones home, he leaves a gift of memories in exchange. It's hard to understand why Wendy was taken from her beloved family and friends but she is now amongst the stars. It takes darkness for us to see the stars, and a lifetime to reach them. She will be waiting for us with a smile and love when we reunite with her. Our hearts ache for you. “ I spent a lot of time with my aunt Wendy when I was younger because Jenny and I were close growing up. I remember aunt Wendy always happy and laughing. So one memory that stands out is of aunt Wendy laughing at me and Jenny. We went outside of her apartment in miller ton and Jenny and I both wearing nightgowns got stung by alit of bees. We went in crying and aunt Wendy laughed at first then helped us. I will miss you aunt Wendy and your infectious laugh I live you always and forever
