William S. Everts

January 5 1947- November 1, 2013

William was born to the late Alene and John Everts in Hudson, NY. At a young age he joined the army and served in both Vietnam and Germany. Bill met and married his love Ria Willis in 1987. He is survived by his loving wife and three children; Samantha, Joseph and Mackenzie. Bill loved life and wanted to see it all and from every angle. He traveled the world and had adventures everywhere, from skydiving to race car driving, even flying, building an airplane and restoring a race car. He was an artist who captured his love of life through the lens of his ever present camera. Bill love to give to people and was never happier than when he was giving to someone he loved. In lieu of flowers his family asks that donations be made to the Alzheimer's Association.

“ My sympathy to all of his family and friends. I remember growing up with the Everts kids when they all lived on Worth Avenue. I recall so many good times . I remember Bill as being so shy and smart. Look at what an amazing life he had and all of his accomplishments. Rest in peace dear Bill.
