“ My favorite memory of Bill is when his parents joined us on one of the Register-Star newspaper's annual trips to Yankee Stadium. Both of Bill's parents were legally blind and listened to every Yankee game on the radio - even while in the stadium stands. Broadcaster Phil Rizzuto gave a shoutout to Bill's parents on the air that night which, Bill told me later, was one of the highlights of their lives. May this jovial man Rest in Peace .....
