Fill not your hearts with pain and sorrow, but remember me in every tomorrow. Remember the joy, the laughter, the smiles. Ive only gone to rest a little while. Although my leaving causes pain and grief, my going has eased my hurt and given me relief. So dry your eyes and remember me, no as i am now but as i used to be. Because I will remember you all and look on with a smile. Understand in your hearts ive only gone to rest a little while. as long as i have the love of each of you i can live my life in the hearts of all of you.

love you all,

Daddy Bill
