“ *I will always remember Poochie and eill dearly miss him. I think back to when Bernice and I were raising our kids. Poochie csme by one day and said these kids need to get out and run around. He piled all our kids in the car. You didn't have to wear seatbelts then. He drove us all the way to Albany to Washington Park. When we got there we discovered my daughter didn't have on one of her shoes. We look everywhere only to find it on Third and Columbia when we got back to Hudspn. She has thrown it out the window. Pooch fly high my friend.*
